## WORLD'S FINEST GOURMET COFFEE

Gizzi's uses the world's finest coffees, strictly Grade A Arabica beans, shade grown at elevations above 4,500 feet. Our coffee is roasted to order (which ensures freshness) and is packaged in custom labeled 16 oz bags. All blends are available whole bean or ground, regular or decaf. We price our coffee competitive to gourmet coffee shop products. Best of all, it is 100% GUARANTEED!

### House Blend

Chef's special. Customer's favorite. Clean, sweet and medium bodied makes this blend tasty all day.

### Breakfast Blend

Always great in the morning! This is a Blend of a light roasted Colombian mixed with French Roast to give some smoothness but a hint of spice.

### French Roast

Our darkest roast. A blend of Central American coffees. Brews a full bodied, strong cup with hearty characteristics.

### French Vanilla

A creamy, rich, custard-like essence of the ice cream it was named for.
